Dear Senator Johnston:

ILLEGIB

Thank you for your prompt action in securing documents for me on Agent Orange.

On Nov. 10, 1984 appeared an article in the Baton Rouge State Times stating that Assistant Attorney General Robert A. McConnell had sent a 15 page analysis of the Neutrality Act and the Arms Export Control Act to Senator Cliborne Pell, the ranking Democrat on the Senate Foreign Relations Committee. A copy of the letter was obtained by the Associated Press. Could you please send me a copy of this 15 page analysis, for, I am working on a case relative to this issue.

In recent days, Associated Press has reported from Washington that a 90 page manual was prepared by the CIA for Nicaraguan rebels on psychological warfare against the government in that country. The 90-page manual is entitled "Psychological Operations in Guerrilla War." Senator, could you please send me a copy of this document? I believe that if Associated Press has access to the document that I, an American citizen, should have access to it.

Pls. send to  
CIA

Thank you and your staff for your prompt and courteous attention to my requests in the past and I hope to receive from you the above documents at your earliest convenience.

Respectfully yours,

*Babs Kin hin nette*
